---

de-light is a Filipino - German lighting company with sales office in Mandaluyong City, Metro Manila.

We are specialized in high-quality lighting products, like indoor and outdoor lamps, garden lamps, halogen, LED and solar lighting.

All our products are designed for the European, mainly German market and are fully compliant with all applicable international standards and mainly have German safety approvals.

de-light is dedicated to high product quality and product safety with modern design.

Our products are available in many hardware shops all over the Philippines.

Ask your local hardware shop for de-light products or contact us at // [info@de-light.ph](mailto:info@de-light.ph) // ' );
